

**MICEBooks**

# Leveled Readers

## Level B

"Multi-sensory Interactive Children's Electronic Books" (MICEBooks) are leveled readers following the formulas devised by [Fountas and Pinnell](#). Interactive versions of these books can be found at **<https://mrnussbaum.com/leveled-micebooks>**.

The interactive versions have text-to-speech capabilities for single words and highlighting of words as they are spoken for full pages.

They also contain a video for the book, spelling, sight word, and rhyming games for each book's vocabulary and a comprehension quiz.
